COMMENTS/RESPONSES																				
	"Don't know"	"I am concerned that some H&I meetings are in violation of the traditions. Specifically, I have heard that the Serenity Lane meetings are run by Serenity Lane alumni and are too aligned with Serenity Lane."	"What is their responsibility?"																	
	"Phone line with diverter so people can find a meeting, also website, literature for groups to buy, committees to bring meetings to jails, treatment centers, etc. (H&I), committees to present info to non-AA's (CPC & PI). All these things help groups to carry the message."	They function as well as they can with the participation and funds provided. It would be nice if more people got involved, because committees like Outreach, CPC/PI and H&I could use more warm bodies."	"I don't think there's any pork in the EVI budget. We get an accounting of funds at the business meetings, and info about groups contributing in the newsletter."																	
	"It appears they are getting AA info to the community. If a group needs info, EVI is available. I am not sure the groups take advantage of what is available. I have seen and heard great pitch from the volunteers who are in our group. The group's involvement seems to engender knowledge and help from EVI."	That al;ways changes based on participation and who leads the committees. I myself have dropped the ball and others in the same position have done great."	"Doing great."																	
	"Need coins also for sale." "Yes, if groups want to participate."	"Outreach Committee is needed to be active for smaller groups." "Speaker meeting is great." "Website, calendar, scheduled activities are great." "Could use area resources (people) better." "H&I member has not heard from Serenity Lane Coordinator for years."	It is being run responsibly, but smaller groups not getting information."																	
	"Top marks for carrying the message. Could use improvement in working with group."	H&I has not been communicating with Serenity Lane person."																		
	"I am new to the program, so I really don't know what the 'things' are but as a result of what is happening in my life... it's all good. I look forward to getting involved in the course of my sobriety."	"I imagine that by the fact that i know this exists I would agree that the EVI committee is functioning."	"Don't know." "I do not know. I thought that AA was self-supporting... I do not know."																	
	"We don't know. Page 53 Big Book."	"We don't have an EVI rep so we don't know. Page 53 Big Book."	"We don't know on all three questions. Page 53 Big Book."																	
	"We think EVI is doing a very good job at serving the community and getting information out."	"Doing a good job. All info from committees are accessible from committees or phone numbers."	"Doing a good job. Thanks from Cottage Grove."																	
	"Groups -lots of groups don't; understand what EVI does."	"I think for the most part they do a great job."	"It try very hard."																	
	"Yes"	"By all feedback. -Volunteers needed-"	"I think groups resp. to EVI."																	
	"Outreach Comm? Grapevine subscription..better break-in times - what to report!?" Understanding what you're reporting."	"Changes in rotation often. Not much help to the new inexperienced members."	"Don't Know." "How is EVI responsible to groups, etc." "Group is self supporting- group is responsible to EVI, GSO. EVI is responsible to all committees."																	
	"Nothing is ever perfect, always room for improvement."	"We think they are organized and doing well within the community."	"There is always not enough money to go around, but we do the best we can." "To the groups we think yes. To the area, not sure. To the GSO, not sure."																	
GENERAL COMMENTS																				
	"Questions are great. Not sure how the rating "no" and "yes" will give an accurate assessment. Great."																			
QUESTION SUGGESTIONS																				
	What would you like to see EVI do this year?																			
	Is there anything about the office that you think should be changed?
