Explanatory Notes (12/14/2009):

The charts in this document tell us that over the first 11 months of 2009:

1. an average of nearly 1200 people visited our website each month;
2. the average visitor came to the site 1.6 times;
3. the average visitor viewed 5.5 pages;
4. the most-visited pages had to do with
 - a. finding meetings
 - b. checking out events and our calendar
 - c. getting a printable meeting list
 - d. learning about AA and reading our newsletter
 - e. checking EVI business files (ByLaws, minutes, etc)

The website Chair and Co-Chair are currently conducting an inventory of the website to determine exactly what resources it contains, with an end to making all resources more readily available to visitors. We expect to have the site redesigned with a new navigation system and, perhaps, added resources by the end of January 2010.
